Bradford High School

2022

Valedictorian

Eden Chalker

Salutatorian

Hannah Ferguson

Dear Seniors,

As your principal, I am proud of each and every one of you for your accomplishments and finishing this year strong. The end of a school year and graduation brings closure to one chapter of your life but opens the next chapter. The next part of your journey is here and it is your time to shine and put all of the hard work of high school to your personal goals. Do not let anyone crush your dreams. You are capable of whatever you put your mind to, and I believe in each of you. Some of you may go straight to work, college, trade school or military. All of those are excellent choices and I encourage you to put your whole heart into whatever your next open door provides and do it with strong ethics.

I want to thank each of the graduating seniors for all the memories and fun times both academically and socially that we had this past year. Being the new principal to Bradford High School, you all taught me how to become a “Bradford Tornado” and the true meaning behind it. Remember the enthusiasm you had as a “Bradford Tornado” and use it as a motivator for your future. You are an official alumni of Bradford High School and will always be welcome to come back to your alma mater.

I wish you best of luck in your future endeavors and want to express again how proud I am of you! Have a wonderful, safe summer!

Sincerely,
Angela Ward
